PROJECT COMPLETION FORM

I, _____ (name of customer), hereby certify that _____ ("Contracting Company") has completed all services and/or work required to be performed (the "Work") to my satisfaction, and that no Work to be performed or materials to be provided remain outstanding. I hereby authorize National Bank of Arizona ("NBAZ") to remit to the Contracting Company, as payment for the Work, any amount(s) owed to the Contracting Company after application of the rebate contemplated by this application, subject to the terms of the loan documents that I executed with NBAZ. Specifically, I authorize NBAZ to remit to the Contracting Company the Total Amount to Be Financed, as illustrated below, to the extent that any loan proceeds remain under such loan documents. I understand that if the remaining loan proceeds are not sufficient to pay for the Work in full, I remain obligated to pay any balance due to the Contracting Company. I understand and agree that any amounts remitted to the Contracting Company by NBAZ pursuant to this authorization constitute loan advances and/or disbursements under the terms of my loan documents and that I am obligated to repay such amounts in accordance with the terms of such loan documents.

I understand that all SRP rebates that I may be eligible for in association with the Work ("Total Rebate Amount") will be issued to the Contracting Company.
